(A) ABOVE AVERAGE
(B) BELOW AVERAGE
(E) EXPECTED PERFORMANCE

Your growth gain for 1974 is about the same as '73 if you consider the school mean rise in I.Q.
You project a significant loss in. science and social studies — But this is a county-wide problem and cannot be attributed to your school.

approved B. Klein

(A) ABOVE AVERAGE
(B) BELOW AVERAGE
(E) EXPECTED PERFORMANCE

There has been a regression of growth factor from 1973 to 1974.

The school should undergo a complete survey and needs analysis with specific causes and recommendations — Please submit report to Supt. - in writing - not later than 9-20-74

approved B. Klein
